**Colette:** «Opened in March 1997 in the heart of the fashion parisian district and aimed at reinventing the concept of retail, the 700 sqm establishment adopted the tag line "style design art food" to its business. Internationally recognized as a fashion mecca, Colette is a world of its own spotlighting ultra-creative window, inspiring clientele from all walks of life. A unique experience which comprises arts, jewelry, music/dvd, books, magazine, fashion, beauty counter and a water bar».

fashion - art, books, music and magazine - beauty counters - restaurant - jewels - high tech gadgets - hi-fi electronics
